Dear Ms Bailey

**Cantley Limpenhoe and Southwood Parish Council Audit.**

We have read through your report and appreciate your thoroughness. We would like to pick up on the summary of recommendations and provide some feedback.

With regard to the dual website, we changed over earlier this year and we understand the old and new hosts experienced one or two issues during the process. The transfer of the old domain has taken place and the Clerk is understands that the old website has been closed down. We will ensure this is checked. We are aware that there is some tidying up needed following the initial transfer and have been assured by the Clerk that this work will be completed soon.

Council has noted your recommendation regarding the GPoC and s.137. Thank you.

We understand from the Clerk that some of the missing grant payments may relate to regular grant payments we make and specify in the budget. This, along with your comment regarding recording the specific legislation used has been noted and the Clerk will make this adjustment going forward.

We would like to take this opportunity to thank you for completing our audit this year, especially as you agreed at short notice.

Yours sincerely

*Anne Tandy*
